Folks,

We had a productive meeting with our contractor to explore EPA's suggestion on sequencing the blasting and wanted to get you and your team an update. Any chance we could do a call today? We are available from 2:00 to 3:00 PM and 4:00 to 5:00 PM.

Let us know and many thanks.

Hi Ann,

I think that 4:30 works. Do you mind using Apex's call-in number?

Thanks,

That's fine. Our windows today are 2:30-3:30 and 4:30-6. Do either of those work for you?

Hi Ann,

Thanks for the e-mail. I accidentally left my phone at home yesterday and didn't get Carl's voice mail until late last night.

I wanted to arrange a time to speak, and Bill White indicated that he wanted to join me on the phone.

Would that be acceptable?

We had discussed sometime this afternoon.

Thanks,

Hi Chet,

Did you receive Carl Dierker's voice mail message from yesterday? We think we used the right number but perhaps not. In any case we wanted to ask you a blasting question. Do you have any availability this afternoon?

Thanks,
Ann
