Subject: Follow-up on Jasco Report
Date: Wednesday, September 11, 2013 2:33:34 PM

Hi Eric – Mike Marsh as a couple follow-up questions on the revised Jasco report. He thinks you may be able to provide guidance, possibly without needing to call the Jasco authors. I suggested that he contact you directly to discuss since I'm not very helpful in discussions on the physics of blasting and we're all working under a tight deadline. If that's OK with you, please let him know a good time to contact you in the next day or two.

Thanks,
Carl
