Thank You Mike,

I've read the documents and feel everything is in good order to proceed. I appreciate that you've included Bettina and I on this even though historic buildings are often not within our purview.

In Thanksgiving, Ramona

Hello Bettina and Ramona,

Attached is the electronic version of a letter and attachments that were delivered to the Mass Historical Commission on Monday. Please let me know if you have any questions. I will place a hard copy in the mail as well.

Thanks!

Mike
