---

Hi Carl,

As we discussed, we submitted a revised analysis of potential impacts to the Hurricane Barrier yesterday evening to [USACE](#).

The updated analysis (as well as its attachments) and an updated Vibration Monitoring Plan are available for download on our Document Management System.

To access them, please go to the following address:

Please contact me if you have any issues with downloading the information.

We are currently expecting the updated ARARs letter next Thursday.

Thanks,

This Email message contained an attachment named  
image001.jpg  
which may be a computer program. This attached computer program could  
contain a computer virus which could cause harm to EPA's computers,

network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
