Hi Mike,  
Phil mentioned you would be sending a final determination verification for the South Terminal Project to John Bullard once you had a chance to look at the JASCO report. Could you also cc me on that correspondence. I wrote the letter to be signed by John, but unfortunately we cannot send out our response until we have your final determination. I want to be able to have the letter go out as soon as we receive the documentation from your end.

Cheers,  
Chris
