Re: New Bedford Harbor

Dear Charlie:

We are still awaiting receipt of the government's sampling data which you promised us in hard-copy on June 7 and again on June 28. When I last spoke to you on June 28 on behalf of Federal Pacific Electric Company, you told me that you had spoken to Dick McGrath on June 23 and authorized him to send us the data.

Would you please call me to tell me if Mr. McGrath is having some difficulty in getting the information together or if we can be of assistance by arranging for it to be photocopied.

Thank you for your attention to this request.

Sincerely,  
*Leslie Ritts*
