RE: Missing Information In Document (891-01)

Dear Mr. Bering:

We recently received from you the New Bedford Harbor Superfund Project Wetland Assessment prepared by Sanford Ecological Services, Inc. The copy of the report that we received was missing sheet 1 of 2 of the fold-out plan entitled "Acushnet River, New Bedford, Massachusetts One-Foot Contours." The plan is a bathymetric map of the river. Please forward a copy of this plan to me at your earliest convenience so that we may have a complete copy of the report. Thank you for your attention to this detail.

Very truly yours,

Richard J. Hughto, Ph.D., P.E.  
Vice President
