Dear Mr. Hughto:

In response to your request dated September 7, 1989, one 5.25 inch floppy diskette disk is enclosed. This disk contains copies of the spreadsheet templates used in the New Bedford Harbor Baseline Public Health Risk Assessment.

The following is a list of six files that correspond to the Tables found in Appendix C of the report. The spreadsheet templates were prepared with version 2.1 of Lotus 123.

- C-21: Carcinogenic Risk - Air Exposure
- C-52: Carcinogenic Risk - Ingestion of Lobster
- C-66: Noncarcinogenic Risk - Ingestion of Fish
- C-83: Noncarcinogenic Risk - Direct Contact with Sediments
- C-92: Noncarcinogenic Risk - Ingestion of Sediment
- C-101: Carcinogenic Risk - Concurrent Exposure - Direct Contact & Ingestion

If you have any questions you can contact me at (617) 565-3428.

Yours sincerely,
