Re: U.S. v. AVX, et al.
C.A. No. 83-3882-MC

Dear Mr. Cheeseman:

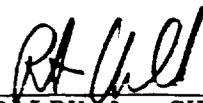

Enclosed please find copies of the monthly status reports prepared by NUS concerning the progress of the New Bedford RI/FS. There are reports for each month from August, 1983 to May, 1984. (One of the two reports marked as December, 1983, actually is for January, 1984). I will transmit copies of future reports to counsel for the defendants within a reasonable time after they become available. We will also supply certain other documents, as agreed at the meeting on July 16.

Further such requests will have to be reviewed on a case by case basis. Particularly without reciprocity, plaintiff does not expect to release its internal documents outside of the discovery process.

With respect to your inquiry concerning monthly reports by Metcalfe & Eddy, I am informed that there are no such reports at present.

Very truly yours,

WILLIAM F. WELD
United States Attorney
