Agency, Region 1
J. F. Kennedy Federal Building
EPA Office of Public Affairs
Boston, Mass.

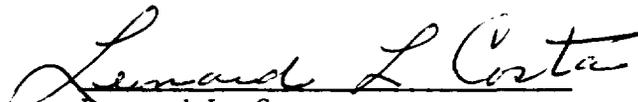

Dear Ms. Prybyla:

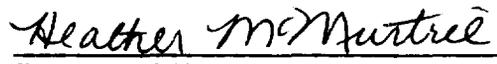

The Town of Falmouth, Mass. respectfully requests a copy of the draft report on what to do about high levels of PBC's in the Acushnet River Estuary, New Bedford, Ma.

The Falmouth Board of Selectmen have never received any information on this project and are fearful that whatever alternative is chosen might have an affect in Buzzards Bay and the Town.

Your help in this matter will be most appreciated.

Sincerely,

Leonard L. Costa

Heather McMurtrie

Adrian C. J. DuFresne
