Mr. Gerald Sotolongo
Environmental Protection Agency
J.F.K. Building
Boston, MA 02203

Dear Mr. Sotolongo:

It has been brought to our attention that your agency has recently listed five (5) areas as possible sites for dumping of PCB's from the upper Acushnet River, three of which are located in the Town of Dartmouth.

We feel that the local town departments should have been contacted for input before the sites were chosen as local opinion and information is of the utmost importance.

Very truly yours,

Katherine Kirk Stern

Eugene J. Trenmeyer
