RE: New Bedford Harbor Upper Estuary Baseline Maps.

Dear Ms. Weitz:

Pursuant to your request of 15 January 1988, I have enclosed the Corps' topographic map. The Corps will be producing two map sets under the Baseline Map Task, topographic and hydrographic. However, only the topographic set is presently available. The Corps anticipates completing the hydrographic set by the end of February, I will forward your office a copy at that time.

Please contact me at (617) 565-3455 if you have any questions.
