Freedom of Information Act
Request Officer
U.S. Environmental Protection Agency
Region I
JFK Building
Boston, Massachusetts 02203

Dear Mr. Keogh:

I am hereby requesting, pursuant to the Freedom of Information Act, a copy of EPA's computer data file relating to New Bedford Harbor and the adjacent related areas. It is my understanding that this file contains information about the concentrations of PCBs and other chemicals in water, sediments, air, and biota in and around the New Bedford Harbor Area. I have previously sent a blank magnetic tape to EPA's contractor Metcalf and Eddy for this purpose, and have had several conversations with Mr. Kenneth Wood of your office with regards to this request.

Your efforts in expediting this request will be appreciated.

Sincerely,

E.L. Anderson
