Dear Mr. DeVillars:

I am enclosing my letter to the local area legislative delegation for your information.

I want you to know that I appreciate your Agency's efforts to reach a consensus on the remedy in the New Bedford harbor. My administration remains committed to work with EPA to resolve these issues that are vital to the interest of this City. The efforts of the City and your Agency represent an example of positive local/federal cooperation that Carol Browner encouraged at our Local Government Advisory Committee meeting in August.

I want you to know I am ready to discuss with you matters related to the remedy within New Bedford harbor if the need arises.

Very truly yours,

Rosemary S. Tierney
Mayor
