RE: United States of America v. AVX Corporation,
et al., (D. Mass.) Civil Action No. 83-3882-Y

Dear Mr. Galvani:

A copy of your recent letter regarding the production of permits and related documents to Ellen Mahan, dated February 27, 1988 was forwarded to me. I note that Lee Breckenridge of this office was not copied, and I would like to remind you that a copy of all correspondence between yourself and the plaintiffs should be directed to this office, as well as the Department of Justice. This is especially true when the subject matter of the letter relates to state permits and other matters particularly of concern to the Commonwealth, as is the case with your letter to Ms. Mahan.

I appreciate your future cooperation in this regard.

Sincerely yours,

Nancy E. Preis
