Re: New Bedford Harbor Sampling Data

Dear Charlie:

Alan Fowler has asked us to resubmit our written request on behalf of FPE for a "hard-copy" printout of the government sampling data from New Bedford Harbor (maintained by Battelle Duxsbury) so that he will have it for EPA's records. You will recall that you and I have been speaking about the availability of the data in a tabular printout since early June 1988. Mr. Fowler has informed Dr. Charles Menzie that a printout is now being copied by Battelle for FPE and that Morgan, Lewis & Bockius will be billed for those duplication charges and for mailing.

As this is an FPE-specific request, I would appreciate it if you would have Mr. Fowler arrange for the data to be mailed directly to Dr. Charles A. Menzie at One Courthouse Lane, Unit 2, Chelmsford, MA 01824. The invoice can also be mailed to Dr. Menzie who will forward it to me or it can be sent to me directly.
