Subject: New Bedford Harbor Program

Dear Mr. Bering:

On October 8, 1987, John Re forwarded to us a request from Ms. Cheryl Waterhouse of Nutter, McClennen & Fish for copies of various data sets related to our ongoing modeling program in New Bedford Harbor. The letter from Ms. Waterhouse authorized Battelle to copy the documents and bill Nutter, McClennen & Fish at the rate of \$.07 per page.

The copying was completed in three batches and three separate invoices totaling \$1,879.77 have been sent to Nutter, McClennen & Fish but remain unpaid. The first of the invoices was submitted nearly five months ago.

I have received notice of this delinquent account from our Columbus office and have been requested to advise them regarding actions we may take to secure payment. Any assistance you could provide in this matter would be greatly appreciated. I have enclosed copies of pertinent correspondence for your convenience.

Sincerely,

Richard A. McGrath
Program Manager
