Subject: RE: Follow up questions re New Bedford/South Terminal

Hi Ann,

Attached are the Commonwealth's responses to your 6/26/12 e-mail.

We will be hand-delivering CDs with the attachments as soon as we can get them over to you. Are you still at work?

Please note that we are still in the process of re-delineating wetlands onsite and will get that supplementary information to EPA early next week.

Thanks!

Subject: RE: Follow up questions re New Bedford/South Terminal

Dear Gary:

Attached are the Region's questions following our review of the Commonwealth's June 18, 2012 submission. These questions all pertain to evaluations we are making in order to prepare a draft decision. Therefore we would appreciate responses as soon as possible. If some answers are available sooner than others, we encourage the Commonwealth to provide those early responses right away rather than waiting until all of the responses are complete. In addition to the attached questions, we have also asked for information about the "Readiness Plan" in a June 20, 2012 email to you.

Please call me at 617-918-1097 if you have any questions about the attached.

Sincerely,

Ann
