Matt and Ann,

Attached is a memorandum that updates the memo sent to Matt on 8/25/10 on the proposed South Terminal project's compliance with the performance standards of MassDEP's relevant regulatory requirements. The updated memo reflects revisions to certain Project components contained in the January 18, 2012 State Enhanced Remedy report since the 8/25/10 memo was submitted. Please feel free to contact me if you have any questions.
