Subject: Response to Your 6-25-12 E-Mail

Hi Kim,

Attached please find responses to your 6-25-12 e-mail. This also should address your questions that we discussed during our teleconference on 6/27/12.

I am going to be out of town for about a week and a half (I'm getting married).

I will be back on the 16th. If you have additional questions, please don't hesitate to contact Jay Borkland or Dave Sherman. Dave was on our teleconference on 6/27, and as you know, Jay is also well informed as to the details of this project.

Thanks!

Chet Myers

This Email message contained an attachment named  
image001.jpg  
which may be a computer program. This attached computer program could contain a computer virus which could cause harm to EPA's computers, network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
