Subject: RE: State Enhanced Remedy -- South Terminal

Hi Ann. Thanks so much for getting back so quickly, as I understood you may have needed additional time to think about my proposed outreach. If you are comfortable with the approach, I plan to share the document with the tribes and City of New Bedford officials. I also would like to identify other stakeholders, and run that list by you as soon as the list is completed. Thanks again for the quick reply. /gd

Subject: State Enhanced Remedy -- South Terminal

Dear Gary,

When Chet dropped off the Commonwealth's South Terminal submission last week, he said you were interested in our thoughts about your sharing it with stakeholders. We do not have any concerns about your sharing the submission at this stage, and in fact we encourage you to share it with the tribes as soon as possible. Of course it will be important to let stakeholders know that this is currently under review at EPA, and that there will be an opportunity for formal public comment once EPA issues a draft decision.

Sincerely,

Ann

Ann H. Williams
