Subject: Re: South Terminal - Water Quality Performance Standards

Thanks Chet. I haven't read it yet...I'll need a fresh start in the morning for that. However, could you turn the Fish Deterrent Plan in the October submission into a separate document. I was thinking it might be clearer to make it an attachment to the Water Quality Performance Standards.

Subject: South Terminal - Water Quality Performance Standards

Hi Cindy,

Attached please find the updated Performance Standards with EPA's requested changes (particularly to Section 6 of the document).

Please review, and let us know if you have additional comments and/or questions.

Thanks,

 Chet/Jay

Thanks for the revised clarification. Attached are EPA's comments...you'll see additional language highlighted in yellow so you can distinguish it from earlier redline comments. We'll look forward to seeing the revised Performance Standards document.

This Email message contained an attachment named image001.jpg which may be a computer program. This attached computer program could contain a computer virus which could cause harm to EPA's computers, network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at
(866) 411-4EPA (4372). The TDD number is (866) 489-4900.
