**Cc:** Eric Las  
**Subject:** revised plans

Chet and Chris- attached please find the revised plans for the Rivers End Salt Marsh site. The revisions reflect our coordination with EPA over the past few days.

The total mitigation area has increased (both creation and now restoration, which has been added since the last iteration). Please see the table on sheet 2.

Please let us know if you have any questions, and have a nice weekend. If you do need to reach me this evening please call my cell phone 774.454.4759.

Thank you,

**Stacy H. Minihane, PWS**

which may be a computer program. This attached computer program could contain a computer virus which could cause harm to EPA's computers, network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
