Ok. Thanks. We are sending someone over now.

Just as an FYI, the changes were minor, but we wanted them corrected for the record. The primary issue was that the laboratory reports for the most recent soil investigation on the property were somehow scrambled during the .pdf process. Additionally, we had not properly switched the financial instrument out (to remove the "bank" reference).

Thanks,

Hi Chet,
Sorry for the inconvenience; I had stepped out. Weren't Sally or Carl there? In any case, I'm back.
Ann
