Hi Ann,

Apex has a group of CDs to deliver to EPA.

On the CDs are the following:

- 1). A copy of a Phase I conducted on the properties that the Commonwealth intends to acquire, and are within the 2010 footprint of the upland area of the facility.
- 2). A Phase I of the Radio Tower property.
- 3). The Emergency Spill Response Plan.
- 4). The Air Monitoring Plan.
- 5). The Facility-Only Invasive Species Monitoring Plan (there will be a separate Invasive Species Plan -not included- for the mitigation measures).

Are you in today so we can deliver the CDs?

Thanks,

***** ATTACHMENT NOT DELIVERED *****

This Email message contained an attachment named
image001.jpg
which may be a computer program. This attached computer program could contain a computer virus which could cause harm to EPA's computers, network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
