Hi Ann, Carl, and Mike,

Just wanted to send out an FYI: The list of figures and appendices in the Draft Final Mitigation Plan was included in the table of contents of the version of the Draft Final Mitigation Plan that was on the CDs that we dropped off at Ann's office.

The version e-mailed out to EPA on 10/5/12 did not have the figure and appendix list on it (an unfortunate omission). If you need that information, please check the CD version for a reference list.

Also, just as an FYI, I recently discovered that you can use a "find" search (which is in the toolbar on the top of the screen) in adobe acrobat to find specific words. When you search for an Appendix name (i.e. "Appendix 3") in a large document (like the one included with the Draft Final Mitigation Plan), you can quickly jump to that appendix's cover page, which may save some time in review.

Thanks,
