Subject: RE: Fig. 1 to be revised

ATTACHMENT: FIGURE 1 - TSCA REMEDIAL EXCAVATION.pdf

Hi Kim,

Attached is a revised Figure 1 - TSCA Remedial Excavation. I changed the legend by adding two additional items for excavation areas, and revised the wording of the other two entries to reflect that the solid areas shown on the figure were actually test pit locations. This makes the figure more accurate and should eliminate the contradiction between the figure and the text of the submittal. Let me know if you would like it presented in another format. I have also updated the list of revisions.

Sincerely,
Greg Dolan
