**Subject:** RE: Fig. 1 to be revised

ATTACHMENT: FIGURE 1 - TSCA REMEDIAL EXCAVATION.pdf

Hi Kim,

Attached is the revised figure with the PCB excavation areas now shown with a green dashed line, which is easier to see in the legend, and shows up well against the background of the aerial photo. I also added hatching to both of the excavation areas to improve their visibility. Let me know if you don't share my opinion.

Sincerely,  
Greg
