Administrative Record

Addendum I

Index

Compiled: April 7, 1994  
ESD Signed: July 11, 1994

Region I  
Waste Management Division  
U.S. Environmental Protection Agency

## INTRODUCTION

This document is the Index to the Administrative Record Addendum I for the Explanation of Significant Differences for the O'Connor National Priorities List (NPL) site. Section I of the Index cites site-specific documents, and Section II cites guidance documents used by EPA staff in selecting a response action for this site.

This Administrative Record is available for public review at EPA Region I, 90 Canal Street, Boston, Massachusetts, and at the Lithgow Public Library, Winthrop Street, Augusta, Maine. Questions concerning the Administrative Record should be addressed to the EPA Region I site manager. Additional volumes may be added to this Administrative Record.

The Administrative Record is required by the Comprehensive Environmental Response Compensation, and Liability Act (CERCLA), as amended by the Superfund Amendments and Reauthorization Act (SARA).

Section I

Site-Specific Documents

## ADMINISTRATIVE RECORD ADDENDUM INDEX

for the

O'Connor Superfund NPL Site

### Explanation of Significant Differences

#### 4.0 Feasibility Study

##### 4.1 Interim Deliverables

1. Memorandum from Ann Marie Burke, EPA Region I Toxicologist, to Ross Gilleland, EPA Remedial Project Manager, dated April 5, 1994 concerning risk calculations.

#### 5.0 Record of Decision

##### 5.1 Correspondence

1. Letter from Charles R. Nickerson, P.E., Central Maine Power, to Ross L. Gilleland, EPA Region I, dated November 9, 1992 concerning New Site Information with attached Figure I, and Appendices A, B, and C.
2. Letter from Alan M. Prysunka, Director, Bureau of Hazardous Material and Solid Waste Control, Maine Department of Environmental Protection dated June 20, 1994 concerning Explanation of Significant Differences.

##### 5.2 Applicable or Relevant and Appropriate Requirements

1. Letter from Ross L. Gilleland, EPA Region I, to Allen Bingham, Maine Department of Environmental Protection, dated January 18, 1993 concerning Applicable or Relevant and Appropriate Requirements.
2. Letter from Allen J. Bingham, Maine Department of Environmental Protection, to Ross Gilleland, EPA Region I, dated February 10, 1993 concerning Applicable or Relevant and Appropriate Requirements.
3. Letter from Joanne O. Morin, GEI Consultants, Inc., to Charlie Nickerson, Central Maine Power Company dated April 7, 1994 concerning the PCB disposal Requirements promulgated under the Toxic Substances Control Act (TSCA).

#### 5.4 Record Decision

1. Draft "Explanation of Significant Differences," EPA Region I (April 1994).
2. "Explanation of Significant Differences," EPA Region I (July 11, 1994).

#### 6.0 Remedial Design

##### 6.4 Remedial Pre-Design Documents

*Oversized Attachments associated with entry number 1 may be reviewed, by appointment only, at EPA Region I Waste Management Division Records Center in Boston, Massachusetts.*

1. "Source Control Sampling Report," prepared by GEI Consultants, Inc. for Central Maine Power (October 22, 1991).

*Oversized Attachments associated with entry number 2 may be reviewed, by appointment only, at EPA Region I Waste Management Division Records Center in Boston, Massachusetts.*

2. "Source Control Summary Report Bench-scale Treatability Study Volume I" (Report, Tables, and Figures), prepared by GEI Consultants, Inc. for Central Maine Power (January 14, 1992).
3. "Source Control Summary Report Bench-scale Treatability Study Volume II" (Appendices A, B, & C), prepared by GEI Consultants, Inc. for Central Maine Power (January 14, 1992).
4. "Source Control Summary Report Bench-scale Treatability Study Volume III" (Appendices D, & E only), prepared by GEI Consultants, Inc. for Central Maine Power (January 14, 1992).
5. "Source Control Summary Report Bench-scale Treatability Study: Supplemental Information Volume I of II," prepared by GEI Consultants, Inc. for Central Maine Power (January 14, 1992).

6. "Source Control Summary Report Bench-scale Treatability Study: Supplemental Information Volume II of II," prepared by GEI Consultants, Inc. for Central Maine Power (January 14, 1992).
7. "Comprehensive Draft Source Control Summary Report Pilot-scale Treatability Study," prepared by GEI Consultants, Inc. for Central Maine Power (January 21, 1993).
8. Comments dated May 18, 1993 from Allen J. Bingham, State of Maine Department of Environmental Protection, on the January 21, 1993 "Comprehensive Draft Source Control Summary Report Pilot-scale Treatability Study," prepared by GEI Consultants, Inc. for Central Maine Power Company.
9. Comments dated June 3, 1993 from Mark C. Meckes, EPA Office of Research and Development, on the January 21, 1993 "Comprehensive Draft Source Control Summary Report Pilot-scale Treatability Study," prepared by GEI Consultants, Inc. for Central Maine Power Company.
10. Comments dated August 27, 1993 from Mary Jane O'Donnell, EPA Region I, on the January 21, 1993 "Comprehensive Draft Source Control Summary Report Pilot-scale Treatability Study," prepared by GEI Consultants, Inc. for Central Maine Power Company.
11. "Response to the U.S. Environmental Protection Agency's (EPA) Comments on the Comprehensive Draft Source Control Summary Report Pilot-scale Treatability Study," prepared by GEI Consultants, Inc. for Central Maine Power (October 29, 1993).

*Oversized Attachments associated with entry number 12 may be reviewed, by appointment only, at EPA Region I Waste Management Division Records Center in Boston, Massachusetts.*

12. "Revision 1, Comprehensive Draft Source Control Summary Report Pilot-scale Treatability Study," prepared by GEI Consultants, Inc. for Central Maine Power (November 1, 1993).

## 6.6 Work Plans and Progress Reports

1. "Source Control Sampling and Analysis Plan, Volume I - Quality Assurance Project Plan," prepared by GEI Consultants, Inc. for Central Maine Power (March 28, 1991).

*Oversized Attachments associated with entry number 2 may be reviewed, by appointment only, at EPA Region I Waste Management Division Records Center in Boston, Massachusetts.*

2. "Source Control Sampling and Analysis Plan, Volume II - Field Sampling Plan," prepared by GEI Consultants, Inc. for Central Maine Power (March 28, 1991).
3. "Source Control Pre-design Work Plan," (for bench-scale treatability studies) prepared by GEI Consultants, Inc. for Central Maine Power (August 7, 1991).
4. "Trip Report for Oversight Activities" (Pre-design sampling and analysis) prepared by CDM Federal Programs Corporation, for the U.S. EPA (November 4, 1991).
5. "Trip Report for Oversight Activities" (VLF survey) prepared by CDM Federal Programs Corporation, for the U.S. EPA (March 22, 1992).

*Oversized Attachments associated with entry number 6 may be reviewed, by appointment only, at EPA Region I Waste Management Division Records Center in Boston, Massachusetts.*

6. "Source Control Pilot-scale Treatability Study Work Plan," GEI Consultants, Inc. for Central Maine Power (June 19, 1992).

*Oversized Attachments associated with entry number 7 may be reviewed, by appointment only, at EPA Region I Waste Management Division Records Center in Boston, Massachusetts.*

7. "Source Control Pilot-scale Project Operations Plan, Volume I - Site Management Plan and Community Support Plan," GEI Consultants, Inc. for Central Maine Power (June 19, 1992).

*Oversized Attachments associated with entry number 8 may be reviewed, by appointment only, at EPA Region I Waste Management Division Records Center in Boston, Massachusetts.*

8. "Source Control Pilot-scale Project Operations Plan, Volume II - Sampling & Analysis Plan - Field Sampling Plan," GEI Consultants, Inc. for Central Maine Power (June 19, 1992).
9. "Source Control Pilot-scale Project Operations Plan, Volume III - Sampling & Analysis Plan - Quality Assurance Project Plan," GEI Consultants, Inc. for Central Maine Power (June 19, 1992).
10. "Trip Report I for Oversight of the Source Control Pilot-scale Treatability Study Activities," prepared by CDM Federal Programs Corporation for the U.S. EPA (September 2, 1992).
11. "Trip Report II for Oversight of the Source Control Pilot-scale Treatability Study Activities," prepared by CDM Federal Programs Corporation for the U.S. EPA (September 15, 1992).
12. "Trip Report III for Oversight of the Source Control Pilot-scale Treatability Study Activities," prepared by CDM Federal Programs Corporation for the U.S. EPA (September 30, 1992).
13. "Trip Report IV for Oversight of the Source Control Pilot-scale Treatability Study Activities," prepared by CDM Federal Programs Corporation for the U.S. EPA (September 30, 1992).
14. "Trip Report V for Oversight of the Source Control Pilot-scale Treatability Study Activities," prepared by CDM Federal Programs Corporation for the U.S. EPA (September 30, 1992).
15. "Trip Report VI for Oversight of the Source Control Pilot-scale Treatability Study Activities," prepared by CDM Federal Programs Corporation for the U.S. EPA (October 27, 1992).
16. "Trip Report VII for Oversight of the Source Control Pilot-scale Treatability Study Activities," prepared by CDM Federal Programs Corporation for the U.S. EPA (October 27, 1992).
17. "Trip Report VIII for Oversight of the Source Control Pilot-scale Treatability Study Activities," prepared by CDM Federal Programs

Corporation for the U.S. EPA (October 27, 1992).

18. "Source Control Scope of Work for Supplemental Treatability Testing," March 11, 1993.

### 13.0 Community Relations

#### 13.5 Fact Sheets/Information Updates

1. "A Citizen's Guide to Innovative Treatment Technologies," EPA Office of Solid Waste and Emergency Response (March 1992).
2. "A Citizen's Guide to Solvent Extraction," EPA Office of Solid Waste and Emergency Response (March 1992).
3. "A Citizen's Guide to How Innovative Treatment Technologies Are Being Successfully Applied at Superfund Sites," EPA Office of Solid Waste and Emergency Response (March 1992).
4. "PRPs to Test Cleanup Technologies for O'Connor Site," EPA Region I (~~June~~<sup>JULY</sup> 1992).
5. "Minor changes made to O'Connor cleanup plan," EPA Region I (April 1994).

Section II  
Guidance Documents

## GUIDANCE DOCUMENTS

EPA guidance documents may be reviewed at EPA Region I, Boston, Massachusetts.

### General EPA Guidance Documents

1. U.S. Environmental Protection Agency. Office of Solid Waste and Emergency Response "Interim Guidance on Non-Liquid PCB Disposal Methods to Be Used as Alternatives to a 40 CFR 761.75 Chemical Waste Landfill," (OSWER Directive No. 9355.4-01), July 3, 1990.
2. U.S. Environmental Protection Agency. Office of Emergency and Remedial Response. Guidance on Remedial Actions for Superfund Sites with PCB Contamination (OSWER Directive No. 9355.4-01), August 1990. [2014]
3. U.S. Environmental Protection Agency. Office of Research and Development. Risk Assessment Guidance for Superfund; Volume I - Human Health Evaluation Manual (EPA/540/R-92/003), December 1991. [C174]
4. U.S. Environmental Protection Agency. Office of Research and Development. Dermal Exposure Assessment: Principles and Applications, Interim Report (EPA/600/8-91/011B), January 1992.
