Introduction to the Collection

This document is the Index to the Administrative Record (AR) Addition for the Solvents Recovery Service Superfund Site Removal Action. The Index cites site-specific documents and guidance documents used by U.S. Environmental Protection Agency (EPA) staff in selecting a response action at the site.

Removal activities to be performed at the site will include excavating contaminated surface and near-surface soils and backfilling with clean fill. In addition, installation of a fence and warning signs at the site is planned.

The administrative record file is available for public review at:
