(Standard Time) to expiration date shown above At 12:01 A.M. (Standard Time) at location of property involved, to an amount not exceeding the amount(s) above specified, does insure the insured named above and legal representatives, to the extent of the actual cash value of the property at the time of loss, and without compensation for loss resulting from interruption of business or manufacture, nor in any event for more than the interest of the insured, against all LOSS BY FIRE, LIGHTNING AND BY REMOVAL FROM PREMISES ENDANGERED BY THE PERILS INSURED AGAINST IN THIS POLICY, EXCEPT AS HERINAFTER PROVIDED, to the property described herein while located or contained as described in this policy, or pro rata for five days at each proper place to which any of the property shall necessarily be removed for preservation from the perils insured against in this policy, but not elsewhere.

Assignment of this policy shall not be valid except with the written consent of this Company.

This policy is made and accepted subject to the foregoing provisions and stipulations and those hereinafter stated, which are hereby made a part of this policy, together with such other provisions, stipulations and agreements as may be added hereto, as provided in this policy.

Concealment, fraud. This entire policy shall be void if, whether before or after a loss, the insured has willfully concealed or misrepresented any material fact or circumstance concerning this insurance or the subject thereof, or the interest of the insured therein, or in case of any fraud or false swearing by the insured relating thereto.

Uninsurable and excepted property. This policy shall not cover accounts, bills, currency, deeds, evidences of debt, money or securities; nor, unless specifically named hereon in writing, bullion or manuscripts.

Perils not included. This company shall not be liable for loss by fire or other perils insured against in this policy caused, directly or indirectly, by (a) enemy attack by armed forces, including action taken by military, naval or air forces in resisting an actual or an immediately impending enemy attack; (b) invasion; (c) insurrection; (d) rebellion; (e) revolution; (f) civil war; (g) usurped power; (h) order of any civil authority except acts of destruction at the time of and for the purpose of preventing the spread of fire, provided that such fire did not originate from any of the perils excluded by this policy; (i) neglect of the insured to use all reasonable means to save and preserve the property at and after a loss, or when the property is endangered by fire in the neighboring premises; (j) nor shall this company be liable for loss by theft.

Other insurance. Other insurance may be prohibited or the amount of insurance may be limited by endorsement attached hereto.

Conditions suspending or restricting insurance. Unless otherwise provided in writing added hereto this company shall not be liable for loss occurring (a) while the hazard is increased by any means within the control or knowledge of the insured; or (b) while the described premises, whether intended for occupancy by owner or tenant, are vacant or unoccupied beyond a period of sixty consecutive days for residential premises of three units or less and thirty consecutive days for all other premises; or (c) as a result of explosion or riot, unless fire ensues, and in that event for loss by fire only.

Other perils or subjects. Any other peril to be insured against or subject of insurance to be covered in this policy shall be by endorsement in writing hereon or added hereto.

Added provisions. The extent of the application of insurance under this policy and of the contribution to be made by this company in case of loss, and any other provision or agreement not inconsistent with the provisions of this policy, may be provided for in writing added hereto, but no provision may be waived except such as by the terms of this policy is subject to change.

Waiver provisions. No permission affecting this insurance shall exist, or waiver of any provision be valid, unless granted herein or expressed in writing added hereto. No provision, stipulation or forfeiture shall be held to be waived by any requirement or proceeding on the part of this company relating to appraisal or to any examination provided for herein.

Cancellation of policy. This policy shall be cancelled at any time at the request of the insured, in which case this company shall, upon demand and surrender of this policy, refund the excess of paid premium above the customary short rates for the expired time. This policy may be cancelled at any time by this company by giving to the insured a five days written notice of cancellation, and to the mortgagee to whom this policy is payable twenty days written notice of cancellation except where the stated reason for cancellation is nonpayment of premium where, in such instance, this policy may be cancelled at any time by this company by giving to the insured a ten days written notice of cancellation, and the mortgagee a twenty days written notice of cancellation, with or without tender of the excess of paid premium above the pro rata premium for the expired time, which excess, if not tendered, shall be refunded on demand. Notice of cancellation shall state that said excess premium, if not tendered, will be refunded on

demand and shall state or be accompanied by a statement of the specific reason or reasons for such cancellation. After this policy has been in effect for sixty days, or after sixty days from any anniversary date, no notice of cancellation shall be effective unless it is based on the occurrence, after the effective date of the policy, of one or more of the following: (1) nonpayment of premium; (2) conviction of a crime arising out of a increasing the hazard insured against; (3) discovery of fraud or material misrepresentation by the insured in obtaining the policy; (4) discovery of willful or reckless acts or omissions by the insured increasing the hazard insured against; (5) physical changes in the property insured which result in the property becoming uninsurable; or (6) a determination by the commissioner that continuation of the policy would violate or place the insurer in violation of the law. Where the stated reason is nonpayment of premium, the insured may continue the coverage and avoid the effect of the cancellation by payment at any time prior to the effective date of cancellation.

Mortgagee interests and obligations. Notwithstanding any other provisions of this policy, if this policy shall be made payable to a mortgagee of the covered real estate, no act or default of any person other than such mortgagee or his agent or those claiming under him, whether the same occurs before or during the term of this policy, shall render this policy void as to such mortgagee nor affect such mortgagee's right to recover in case of loss on such real estate: provided, that the mortgagee shall on demand pay according to the established scale of rate for any increase of risk not paid for by the insured; and whenever this company shall be liable to a mortgagee for any sum for loss under this policy for which no liability exists as to the mortgagor, or owner, and this company shall elect by itself, or with others, to pay the mortgagee the full amount secured by such mortgage, then the mortgagee shall assign and transfer to the company interested, upon such payment, the said mortgage together with the note and debt thereby secured.

Pro rata liability. This company shall not be liable for a greater proportion of any loss than the amount hereby insured shall bear to the whole insurance covering the property against the peril involved.

Requirements in case loss occurs. The insured shall give immediate written notice to this company of any loss, protect the property from further damage, forthwith separate the damaged and undamaged personal property, put it in the best possible order, furnish a complete inventory of the destroyed and damaged property, showing in detail the quantity, description, actual cash value and amount of loss claimed; and the insured shall forthwith render to this company a signed, sworn statement in proof of loss which sets forth to the best knowledge and belief of the insured the following: the time and cause of the loss, the interest of the insured and of all others in the property, the actual cash value of each item thereof and the amount of loss thereto, all encumbrances thereon, all other contracts of insurance, whether valid or not, covering any of said property, any changes in the title, use, occupancy, location, possession or exposures of said property, since the issuing of this policy, by whom and for what purpose any building herein described and the several parts thereof were occupied at the time of loss and whether or not it then stood on leased ground, and shall furnish a copy of all the descriptions and schedules in all policies and detailed estimates for repair of the damage. The insured, as often as may be reasonably required, shall exhibit to any person designated by this company all that remains of any property herein described, and submit to examinations under oath by any person named by this company, or subscribe the same; and, as often as may be reasonably required, shall produce for examination all books of account, bills, invoices and other vouchers, or certified copies thereof if originals be lost, at such reasonable time and place as may be designated by this company or its representative, and shall permit extracts and copies thereof to be made.

When loss payable. In case of any loss or damage, the company, within thirty days after the insured shall have submitted a statement, as provided in the preceding clause, shall either pay the amount for which it shall be liable, which amount if not agreed upon, shall be ascertained by award of referees as hereinafter provided, or replace the property with other of the same kind and goodness; or it may, within fifteen days after such statement is submitted, notify the insured of its intention to rebuild or repair the premises, or any portion thereof separately covered by this policy, and shall thereupon enter upon said premises and proceed to rebuild or repair the same with reasonable expedition. It is moreover understood that there can be no abandonment of the property described to the company, and that the company shall not in any case be liable for more than the sum insured, with interest thereon from the time when the loss shall become payable, as above provided. The company shall be liable for the payment of interest to the insured at a rate of one per cent over the prime interest rate on the agreed figure commencing thirty days after the date an executed proof of loss for such figure is received by the company, said interest to continue so long as the claim remains unpaid.

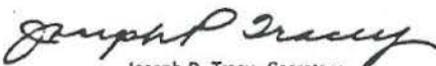

Reference. In case of loss under this policy and a failure of the parties to agree as to the amount of loss, it is mutually agreed that the amount of such loss shall be referred to three disinterested men, the company and the insured each choosing one out of three persons to be named by the other, and the third being selected by the two so chosen; and the award in writing

by a majority of the referees shall be conclusive and final upon the parties as to the amount of loss or damage, and such reference, unless waived by the parties, shall be a condition precedent to any right of action in law or equity to recover for such loss; but no person shall be chosen or act as a referee against the objection of either party, who has acted in a like capacity within four months.

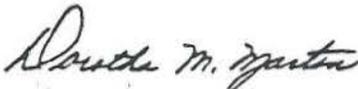

Suit. No suit or action against this company for the recovery of any claim by virtue of this policy shall be sustained in any court of law or equity in this commonwealth unless commenced within two years from the time the loss occurred; provided, however, that if, within said two years, in accordance with the provisions of the preceding paragraph, the amount of the loss shall have been referred to arbitration after failure of the parties to agree thereon, the limitation of time for bringing such suit or action shall in no event be less than ninety days after a valid award has been made upon such reference or after such reference or award has been expressly waived by the parties. If suit or action upon this policy is enjoined or abated, suit or action may be commenced at any time within one year after the dissolution of such injunction, or the abatement of such suit or action, to the same extent as would be possible if there was no limitation of time provided herein for the bringing of such suit or action.

Subrogation. This company may require from the insured an assignment of all right of recovery against any party for loss to the extent that payment therefor is made by this company.

In Witness Whereof, the Company identified on the declarations page has caused this policy to be executed and attested on its behalf, but this policy shall not be valid unless countersigned on the declarations page by a duly authorized representative of the company.

1. With respect to the perils of fire or lightning, this policy insures against all loss to the property covered caused by the perils of fire or lightning.
2. The Mortgagee Clause is deleted and the following Loss Payable Clause is substituted:

LOSS PAYABLE CLAUSE: If a mortgagee, or mortgagees, is named on the first page of this policy or by endorsement thereto, loss, if any, on real estate is payable to such mortgagee, or mortgagees, as the interests of such mortgagee, or mortgagees, may appear in order of their priority, under any present or future mortgage, or mortgages, of

the within described real estate (but in no event to exceed the amount of insurance named in the within policy).

3. Notwithstanding any provision to the contrary of any general or special law:

A. This company shall, before paying any claim for loss or damage to real property from any peril where the amount of the loss payable under this policy equals or exceeds five thousand dollars, first require the insured to submit to this company a certificate of municipal liens from the collector of taxes of the city or town wherein the property is located.

B. This company shall pay to the city or town any amount shown as outstanding on the certificate of municipal liens arising from the provisions of Chapters 40 Power and Duties of Cities and Towns, 59 Assessment of Local Taxes, 60 Taxation, 80 Betterments and 83 Sewers, Drains and Sidewalks of the Massachusetts General Law, to the extent of the amount of loss payable under this policy.

C. The claim of the city or town for such amounts shall have priority over the claim of any insured owner, mortgagee, assignee or other interested party except where otherwise provided by the laws of the United States.

D. This company shall not be liable to any insured owner, mortgagee, assignee, city or town, or other interested party for amounts disbursed to a city or town or for amounts not disbursed to the city or town based upon a certificate indicating the nonexistence of any municipal liens.

E. Paragraphs 3.A, 3.B, 3.C and 3.D above shall not apply to any owner occupied one, two, three or four family dwelling if the owner of said dwelling was domiciled therein at the time the claim for loss or damage arose.

(b) Any loss, damage, or destruction of any amount, which causes the condition of a building or other structure to become dangerous to life or limb or to become unused, uninhabited or abandoned and open to the weather as provided under Section 6 of Chapter 143 of the Massachusetts General Laws,

without having at least ten days previously, given written notice to the Building Commissioner or the appointed Inspector of Buildings, and to the Board of Health or the Board of Selectmen of the city or town in which the

property is located.

If at any time prior to payment the city or town notifies this company by certified mail of its intent to initiate proceedings designed to perfect a lien pursuant to Massachusetts General Law:

(1) **Chapter 143 Public Safety and Good Order**

(a) Section 3A—enforcement of State building code as to structures or buildings;

(b) Section 9—penalties for refusal to remove or repair dangerous or abandoned structures or buildings; or

(2) **Chapter 111 Public Health**

Section 127B—authority of the Board of Health to recondition or demolish the unfitted dwelling for human habitation, premises or structure,

the said payment shall not be made while the said proceedings are pending; provided, however, that the said proceedings are initiated within thirty days of receipt of such notification.

Any lien perfected pursuant to the Massachusetts General Laws referred to in the preceding paragraph shall extend to and may be enforced by the city or town against the proceeds of this policy.

The following words are deleted from the Coverage B—Personal Property of the Insured definition:

"usual to the occupancy of the named Insured".

2. Subrogation:

The following clause is substituted for the Subrogation Clause:

Subrogation Waiver Clause: This insurance shall not be invalidated should the Insured waive in writing any or all right of recovery against any party for loss. Provided, however, that in the event the Insured waives only a part of his rights against any particular third party, this Company shall be subrogated with respect to all rights of recovery which the Insured may retain against any such third party for loss from the perils insured against to the extent that payment therefor is made by this Company; all subject to the following additional provisions:

- (a) If made before loss has occurred, such agreement may run in favor of any third party;
- (b) If made after loss has occurred, such agreement may run only in favor of a third party falling within one of the following categories at the time of loss:
 - (1) A third party insured under this policy; or
 - (2) A corporation, firm, or entity (a) owned or controlled by the named Insured or in which the named Insured owns capital stock or other proprietary interest, or (b) owning or controlling the named Insured or owning or controlling capital stock or other proprietary interest in the named Insured; or

3. Permits and Use:

The following clause is substituted for the Permits and Use Clause:

Permits and Use: Except as otherwise provided, permission is granted:

- A. To make additions, alterations and repairs. This policy, insofar as it covers building(s) or structure(s), is extended to cover additions, alterations and repairs, when not otherwise covered by insurance, including temporary structures constructed on site, materials, equipment and supplies therefor on or within 100 feet of the described premises; and this policy, insofar as it covers contents, is extended to cover in such additions. This provision does not waive or modify any of the conditions of the Automatic Sprinkler Clause, if any, attached to this policy.
- B. For such unoccupancy as is usual or incidental to the described occupancy ("unoccupied" or "unoccupancy" means containing contents

pertaining to the occupancy of the building while operations or other customary activities are suspended).

For the described building(s) to be vacant without limit of time, subject to a 15% reduction in the amount of loss payment otherwise due under this policy while the involved building(s) is vacant beyond a period of 60 consecutive days. This penalty will not be applicable during the period of any extension whereby the 60 day period is extended by endorsement.

("Vacant" or "Vacancy" means containing no contents pertaining to operations or activities customary to occupancy of the building. A building in the course of construction shall not be considered vacant.)

These provisions do not apply to the perils of vandalism or malicious mischief or sprinkler leakage.

- D. For increased hazards and for change in use or occupancy.
- E. Without prejudice to this insurance, for there to be errors in stating the name, number, street or location of any building(s) covered here under, or of building(s) and personal property if covered under a single item of insurance where there is no wilful concealment or misrepresentation.
- F. In the event of loss hereunder, to make reasonable repairs, temporary or permanent, provided such repairs are confined solely to the protection of the property from further damage, and provided further that the named Insured shall keep an accurate record of such repair expenditures. The cost of any such repairs directly attributable to damage by a peril insured hereunder shall be included in determining the amount of loss hereunder. 1. With respect to the perils of fire or lightning, this policy insures against all loss to the property covered caused by the perils of fire or lightning.

SECTION I—PROPERTY COVERED

When the insurance under this policy covers "Building(s)", "Personal Property of the Insured", or "Personal Property of Others" such insurance shall cover in accordance with the following description(s) of coverage.

COVERAGE A—BUILDING(S): Building(s) or structure(s) shall include attached additions and extensions; fixtures, machinery and equipment constituting a permanent part of and pertaining to the service of the building; yard fixtures; personal property of the named Insured used for the maintenance or service of the described building(s), including fire extinguishing apparatus, outdoor furniture, floor coverings and appliances for refrigerating, ventilating, cooking, dishwashing and laundering (but not including other personal property in apartments or rooms furnished by the named Insured as landlord); all while at the described locations.

This Extension of Coverage does not apply if the loss is covered by any other insurance, whether collectible or not, or which would have been covered by such other insurance in the absence of this policy. At the option of this Company, loss under this Extension of Coverage may be adjusted with and payable to the named Insured.

5. **VALUABLE PAPERS AND RECORDS:** The named Insured may apply up to 5%, but not exceeding \$500, of the amount of insurance for Coverage B—Personal Property of the Insured at a described location to cover direct loss by a peril insured against under this policy to valuable papers and records. In the event that the aggregate claim for any loss is both less than \$10,000 and less than 5% of the total amount of insurance applicable to the

property involved at the time such loss occurs, no special inventory or appraisal of the undamaged property shall be required, providing that nothing herein shall be construed to waive the application of the first paragraph of this clause.

4. INSPECTION OF PROPERTY AND OPERATIONS: This Company and any person or organization making inspections on the Company's behalf shall be permitted but not obligated to inspect the named Insured's property and operations at any time. Neither the right of this Company and any person or organization to make such inspections nor the making thereof nor any report thereon shall constitute an undertaking, on behalf of or for the benefit of the named Insured or others, to determine or warrant that such property or operations are safe or healthful, or are in compliance with any law, rule or regulation.

5. LIBERALIZATION: If during the period that insurance is in force under this policy, or within 45 days prior to the inception date thereof, on behalf of this Company there be adopted or filed with and approved or accepted by the insurance supervisory authorities, all in conformity with law, any changes in the form attached to this policy by which this form of insurance could be extended or broadened without increased premium charge by endorsement or substitution of form, then such extended or broadened insurance shall inure to the benefit of the named Insured hereunder as though such endorsement or substitution of form had been made.

6. LOSS CLAUSE: Any loss hereunder shall not reduce the amount of this policy.

7. MORTGAGE CLAUSE (Not applicable in Minnesota): (Applies only to building items and is effective only when policy is made payable to a named mortgagee or trustee.)

Loss or damage, if any, under this policy, shall be payable to the mortgagee (or trustee), named on the first page of this policy, as interest may appear, under all present or future mortgages upon the property herein described in which the aforesaid may have an interest as mortgagee (or trustee) in order of precedence of said mortgages, and this insurance, as to the interest of the mortgagee (or trustee) only therein, shall not be invalidated by any act or neglect of the mortgagor or owner of the within described property, nor by any foreclosure or other proceedings or notice of sale relating to the property, nor by any change in the title or ownership of the property, nor by the occupation of the premises for purposes more hazardous than are permitted by this policy; provided, that in case the mortgagor or owner shall neglect to pay any premium due under this policy, the mortgagee (or trustee) shall, on demand pay the same.

Provided, also, that the mortgagee (or trustee) shall notify this Company of any change of ownership or occupancy or increase of hazard which shall come to the knowledge of said mortgagee (or trustee) and, unless permitted by this policy, it shall be noted thereon and the mortgagee (or trustee) shall, on demand, pay the premium for such increased hazard for the term of the use thereof; otherwise this policy shall be null and void.

This Company reserves the right to cancel this policy at any time as provided by its terms, but in such case this policy shall continue in force for the benefit only of the mortgagee (or trustee) for 10 days after notice to the mortgagee (or trustee) of such cancellation and shall then cease, and this Company shall have the right, on like notice, to cancel this agreement.

Whenever this Company shall pay the mortgagee (or trustee) any sum for loss under this policy and shall claim that, as to the mortgagor or owner, no liability therefor existed, this Company shall, to the extent of such payment, be thereupon legally subrogated to all the rights of the party to whom such payment shall be made, under all securities held as collateral to the mortgage debt, or may, at its option, pay to the mortgagee (or trustee) the whole principal due or to grow due on the mortgage with interest, and shall thereupon receive a full assignment and transfer of the mortgage and of all such other securities; but no subrogation shall impair the right of the mortgagee (or trustee) to recover the full amount of said mortgagee's (or trustee's) claim.

8. PERMITS AND USE: Except as otherwise provided, permission is granted:

A. to make additions, alterations and repairs. This policy insofar as it covers building(s) or structure(s), is extended to cover additions, alterations and repairs, when not otherwise covered by insurance, including temporary structures constructed on site, materials, equipment and supplies therefor on or within 100 feet of the described premises; and this policy, insofar as it covers contents, is extended to cover in such additions. This provision does not waive or modify any of the conditions of the Automatic Sprinkler Clause, if any, attached to this policy;

B. for such unoccupancy as is usual or incidental to the described occupancy; but vacancy is limited to the 60 day period permitted by the policy conditions ("Vacant" or "Vacancy" means containing no contents pertaining to operations or activities customary to occupancy of the building. "Unoccupied" or "Unoccupancy" means containing contents pertaining to occupancy of the building while operations or other customary activities are suspended);

C. in the event of loss hereunder, to make reasonable repairs, temporary or permanent, provided such repairs are confined solely to the protection of the property from further damage, and provided further that the named Insured shall keep an accurate record of such repair expenditures. The cost of any such repairs directly attributable to damage by any peril insured hereunder shall be included in determining the amount of loss hereunder. Nothing herein contained is intended to modify the policy requirements applicable in case loss occurs, and in particular the requirement that, in case loss occurs, the named Insured shall protect the property from further damage.

9. PROTECTIVE SAFEGUARDS: It is a condition of this insurance that the insured shall maintain so far as is within his control such protective safeguards as are set forth by endorsement hereto.

Failure to maintain such protective safeguards shall suspend this insurance, only as respects the location or situation affected, for the time of such discontinuance.

10. PROVISIONS APPLICABLE ONLY WHEN THIS POLICY COVERS BUSINESS INTERRUPTION, TUITION FEES, EXTRA EXPENSE, ADDITIONAL LIVING EXPENSE, RENT OR RENTAL VALUE, LEASEHOLD INTEREST OR OTHER CONSEQUENTIAL LOSS: The term "direct", as applied to loss, means loss, as limited and conditioned in this policy, resulting from direct loss to described property from the peril(s) insured against. If the business of the owner or tenant(s) of the described building(s) is interrupted by a strike at the described location, this Company shall not be liable for any loss due to interference by any person(s) with rebuilding, repairing or replacing the property damaged or destroyed or with the resumption or continuation of business.

11. SUBROGATION: This insurance shall not be invalidated should the named Insured waive in writing prior to a loss any or all right of recovery against any party for loss occurring to the property described.

POLLUTION EXCLUSION

It is agreed that the exclusion relating to the discharge, dispersal, release or escape of smoke, vapors, soot, fumes, acids, alkalis, toxic chemicals, liquids or gases, waste materials or other irritants, contaminants or pollutants is replaced by the following:

(1) to bodily injury or property damage arising out of the actual, alleged or threatened discharge, dispersal, release or escape of pollutants:

(a) at or from premises owned, rented or occupied by the named Insured;

(b) at or from any site or location used by or for the named Insured or others for the handling, storage, disposal, processing or treatment of waste;

(c) which are at any time transported, handled, stored, treated, disposed of, or processed as waste by or for the named Insured or any person or organization for whom the named Insured may be legally responsible; or

(d) at or from any site or location on which the named Insured or any contractors or subcontractors working directly or indirectly on behalf of the named Insured are performing operations:

(i) if the pollutants are brought on or to the site or location in connection with such operations; or

(ii) if the operations are to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize the pollutants.

(2) to any loss, cost or expense arising out of any governmental direction or request that the named Insured test for, monitor, clean up, remove, contain, treat, detoxify or neutralize pollutants.

• Pollutants means any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconditioned or reclaimed.

Product hazard includes bodily injury and property damage arising out of the named insured's products or reliance upon a representation or warranty made at any time with respect thereto, but only if the bodily injury or property damage occurs away from the premises owned by or rented to the named insured and after physical possession of such products has been relinquished to others;

"Property damage" means (1) physical injury to or destruction of the property which occurs during the policy period, including the loss of use thereof at any time resulting therefrom, or (2) loss of use of tangible property which has not been physically injured or destroyed provided such loss of use is caused by an occurrence during the policy period;

"Underground property damage hazard" includes underground property damage as defined herein and property damage to any other property at any time resulting therefrom. "Underground property damage" means property damage to wires, conduits, pipes, mains, sewers, tanks, tunnels, any similar property, and any apparatus in connection therewith, beneath the surface of the ground or water, caused by and occurring during the use of mechanical equipment for the purpose of grading land, paving, excavating, drilling, borrowing, filling, back-filling or pile driving. The underground property damage hazard does not include property damage (1) arising out of operations performed for the named insured by independent contractors, or (2) included within the completed operations hazard, or (3) for which liability is assumed by the insured under an incident contract.

CONDITIONS

1. Premium. All premiums for this policy shall be computed in accordance with the company's rules, rates, rating plans, premiums and minimum premiums applicable to the insurance afforded herein.

Premium designated in this policy as "advance premium" is a deposit premium only which shall be credited to the amount of the earned premium due at the end of the policy period. At the close of each period (or part thereof terminating with the end of the policy period) designated in the declarations as the audit period the earned premium shall be computed for such period and, upon notice thereof to the named insured, shall become due and payable. If the total earned premium for the policy period is less than the premium previously paid, the company shall return to the named insured the unearned portion paid by the named insured.

The named insured shall maintain records of such information as is necessary for premium computation, and shall send copies of such records to the company at the end of the policy period and at such times during the policy period as the company may direct.

2. Inspection and Audit. The company shall be permitted but not obligated to inspect the named insured's property and operations at any time. Neither the company's right to make inspections nor the making thereof nor any report thereon shall constitute an undertaking, on behalf of or for the benefit of the named insured or others, to issue or warrant that such property or operations are safe or sound, or are in compliance with any law, rule or regulation.

The company may examine and audit the named insured's books and records at any time during the policy period and extensions thereof and within three years after the final termination of this policy, as far as they relate to the subject matter of this insurance.

3. Financial Responsibility Laws. When this policy is certified as proof of financial responsibility for the future under the provisions of any motor vehicle financial responsibility law, such insurance as is afforded by this policy for bodily injury liability or for property damage liability shall comply with the provisions of such law to the extent of the coverage and limits of liability required by such law. The insured agrees to reimburse the company for any payment made by the company which it would not have been obligated to make under the terms of this policy except for the agreement contained in this paragraph.

4. Insured's Duties in the Event of Occurrence, Claim or Suit.

(a) In the event of an occurrence, written notice containing particulars sufficient to identify the insured and also reasonably obtainable information with respect to the time, place and circumstances thereof, and the names and addresses of the injured and of available witnesses, shall be given by or for the insured to the company or any of its authorized agents as soon as practicable.

(b) If claim is made or suit is brought against the insured, the insured shall immediately forward to the company every demand, notice, summons, or other process received by him or his representative.

(c) The insured shall cooperate with the company and, upon the company's request, assist in making settlements, in the conduct of suits and in enforcing any right of contribution or indemnity against any person or organization who may be liable to the insured because of injury or damage with respect to which insurance is afforded under this policy; and the insured shall attend hearings and trials and assist in securing and giving evidence and obtaining the attendance of witnesses. The insured shall not, except at his own cost, voluntarily make any payment, assume any obligation or incur any expense other than for first aid to others at the time of accident.

5. Action Against Company. No action shall lie against the company unless, as a condition precedent thereto, there shall have been full compliance with all of the terms of this policy, nor until the amount of the insured's obligation to pay shall have been finally determined either by judgment against the insured after actual trial or by written agreement of the insured, the claimant and the company.

Any person or organization or the legal representative thereof who has secured such judgment or written agreement shall thereafter be entitled to recover under this policy to the extent of the insurance afforded by this policy. No person or organization shall have any right under this policy to join the company as a party to any action against the insured to determine the insured's liability, nor shall the company be impleaded by the insured or his legal representative. Bankruptcy or insolvency of the insured's or the insured's estate shall not relieve the company of any of its obligations hereunder.

6. Other Insurance. The insurance afforded by this policy is primary insurance, except when stated to apply in excess of or contingent upon the absence of other insurance. When this insurance is primary and the insured has other insurance which is stated to be applicable to the loss on an excess or contingent basis, the amount of the company's liability under this policy shall not be reduced by the existence of such other insurance.

When both this insurance and other insurance apply to the loss on the same basis, whether primary, excess or contingent, the company shall not be liable under this policy for a greater proportion of the loss than that stated in the applicable contribution provision below:

(a) **Contribution by Equal Shares.** If all of such other valid and collectible insurance provides for contribution by equal shares, the company shall not be liable for a greater proportion of such loss than would be payable if each insurer contributes an equal share until the share of each insurer equals the lowest applicable limit of liability under any one policy or the full amount of the loss is paid, and with respect to any amount of loss not so paid the remaining insurers then continue to contribute equal shares of the remaining amount of the loss until each such insurer has paid its limit in full or the full amount of the loss is paid.

(b) **Contribution by Limits.** If any of such other insurance does not provide of contribution by equal shares, the company shall not be liable for a greater proportion of such loss than the applicable limit of liability under this policy for such loss bears to the total applicable limit of liability of all valid and collectible insurance against such loss.

7. Subrogation. In event of any payment under this policy, the company shall be subrogated to all the insured's rights of recovery therefor against any person or organization and the insured shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. The insured shall do nothing after loss to prejudice such rights.

8. Changes. Notice to any agent or knowledge possessed by any agent or by any other person shall not effect a waiver or a change in any part of this policy or estop the company from asserting any right under the terms of this policy; nor shall the terms of this policy be waived or changed, except by endorsement issued to form a part of this policy, signed by a duly authorized representative of the company.

9. Assignment. Assignment of interest under this policy shall not bind the company until its consent is endorsed hereon; if, however, the named insured shall die, such insurance as is afforded by this policy shall apply (1) to the named insured's legal representative, as the

named insured, but only while acting within the scope of his duties as such, and (2) with respect to the property of the named insured, to the person having proper temporary custody thereof, as insured, but only until the appointment and qualification of the legal representative.

10. Three Year Policy. If this policy is issued for a period of three years any limit of the company's liability stated in this policy as "aggregate" shall apply separately to each consecutive annual period thereof.

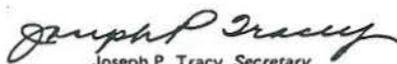

11. Cancellation. This policy may be cancelled by the named insured by surrender thereof to the company or any of its authorized agents or by mailing to the company written notice stating when thereafter the cancellation shall be effective. This policy may be cancelled by the company by mailing to the named insured at the address shown in this policy, written notice stating when not less than ten days thereafter such cancellation shall be effective. The mailing of notice as aforesaid shall be sufficient proof of notice. The time of surrender or the effective

date and hour of cancellation stated in the notice shall become the end of the policy period. Delivery of such written notice either by the named insured or by the company shall be equivalent to mailing.

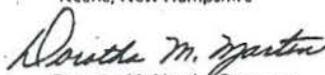

If the named insured cancels, earned premium shall be computed in accordance with the customary short rate table and procedure. If the company cancels, earned premium shall be computed pro rata. Premium adjustment may be made either at the time cancellation is effected or as soon as practicable after cancellation becomes effective, but payment or tender of unearned premium is not a condition of cancellation...

12. Declarations. By acceptance of this policy, the named insured agrees that the statements in the declarations are his agreements and representations, that this policy is issued in reliance upon the truth of such representations and that this policy embodies all agreements existing between himself and the company or any of its agents relating to this insurance.

In Witness Whereof, the Company identified on the declarations page has caused this policy to be executed and attested on its behalf, but this policy shall not be valid unless countersigned on the declarations page by a duly authorized representative of the company.

Policy Issued By The Continental Insurance Company Policy No. 1 3 53 86 82
 Named Insured John E. Whitney Jr and Walter W. Whitney

This Coverage Part shall not be binding upon the company unless attached to Sections One and Two of the company's Liability Insurance Policy.

1/24 R/P

CONDITIONS

1. Premium All premiums for this policy shall be computed in accordance with the company's rules, rates, rating plans, premiums and minimum premiums applicable to the insurance afforded herein.

Premium designated in this policy as "advance premium" is a deposit premium only which shall be credited to the amount of the earned premium due at the end of the policy period. At the close of each period (or part thereof terminating with the end of the policy period) designated in the declarations as the audit period the earned premium shall be computed for such period and, upon notice thereof to the named insured, shall become due and payable. If the total earned premium for the policy period is less than the premium previously paid, the company shall return to the named insured the unearned portion paid by the named insured.

The named insured shall maintain records of such information as is necessary for premium computation, and shall send copies of such records to the company at the end of the policy period and at such times during the policy period as the company may direct.

2. Inspection and Audit The company shall be permitted but not obligated to inspect the named insured's property and operations at any time. Neither the company's right to make inspections nor the making thereof nor any report thereon shall constitute an undertaking, on behalf of or for the benefit of the named insured or others, to determine or warrant that such property or operations are safe or healthful, or are in compliance with any law, rule or regulation.

The company may examine and audit the named insured's books and records at any time during the policy period and extensions thereof and within three years after the final termination of this policy, as far as they relate to the subject matter of this insurance.

3. Financial Responsibility Laws When this policy is certified as proof of financial responsibility for the future under the provisions of any motor vehicle financial responsibility law, such insurance as is afforded by this policy for bodily injury liability or for property damage liability shall comply with the provisions of such law to the extent of the coverage and limits of liability required by such law. The insured agrees to reimburse the company for any payment made by the company which it would not have been obligated to make under the terms of this policy except for the agreement contained in this paragraph.

4. Insured's Duties in the Event of Occurrence, Claim or Suit

- (a) In the event of an occurrence, written notice containing particulars sufficient to identify the insured and also reasonably obtainable information with respect to the time, place and circumstances thereof, and the names and addresses of the injured and of available witnesses, shall be given by or for the insured to the company or any of its authorized agents as soon as practicable.
- (b) If claim is made or suit is brought against the insured, the insured shall immediately forward to the company every demand, notice, summons or other process received by him or his representative.
- (c) The insured shall cooperate with the company and, upon the company's request, assist in making settlements, in the conduct of suits and in enforcing any right of contribution or indemnity against any person or organization who may be liable to the insured because of injury or damage with respect to which insurance is afforded under this policy; and the insured shall attend hearings and trials and assist in securing and giving evidence and obtaining the attendance of witnesses. The insured shall not, except at his own cost, voluntarily make any payment, assume any obligation or incur any expense other than for first aid to others at the time of accident.

5. Action Against Company No action shall lie against the company, unless, as a condition precedent thereto, there shall have been full compliance with all of the terms of this policy, nor until the amount of the insured's obligation to pay shall have been finally determined either by judgment against the insured after actual trial or by written agreement of the insured, the claimant and the company.

Any person or organization or the legal representative thereof who has secured such judgment or written agreement shall thereafter be entitled to recover under this policy to the extent of the insurance afforded by this policy. No person or organization shall have any right under this policy to join the company as a party to any action against the insured to determine the insured's liability, nor shall the company be impleaded by the insured or his legal representative. Bankruptcy or insolvency of the insured or of the insured's estate shall not relieve the company of any of its obligations hereunder.

6. Other Insurance The insurance afforded by this policy is primary insurance, except when stated to apply in excess of or contingent upon the absence of other insurance. When this insurance is primary and the insured has other insurance which is stated to be applicable to the loss on an excess or contingent basis, the amount of the company's liability under this policy shall not be reduced by the existence of such other insurance.

When both this insurance and other insurance apply to the loss on the same basis, whether primary, excess or contingent, the company shall not be liable under this policy for a greater proportion of the loss than that stated in the applicable contribution provision below:

- (a) **Contribution by Equal Shares.** If all of such other valid and collectible insurance provides for contribution by equal shares, the company shall not be liable for a greater proportion of such loss than would be payable if each insurer contributes an equal share until the share of each insurer equals the lowest applicable limit of liability under any one policy or the full amount of the loss is paid, and with respect to any amount of loss not so paid the remaining insurers then continue to contribute equal shares of the remaining amount of the loss until each such insurer has paid its limit in full or the full amount of the loss is paid.
- (b) **Contribution by Limits.** If any of such other insurance does not provide for contribution by equal shares, the company shall not be liable for a greater proportion of such loss than the applicable limit of liability under this policy for such loss bears to the total applicable limit of liability of all valid and collectible insurance against such loss.

7. Subrogation In the event of any payment under this policy, the company shall be subrogated to all the insured's rights of recovery therefor against any person or organization and the insured shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. The insured shall do nothing after loss to prejudice such rights.

8. Changes Notice to any agent or knowledge possessed by any agent or by any other person shall not effect a waiver or a change in any part of this policy or estop the company from asserting any right under the terms of this policy; nor shall the terms of this policy be waived or changed, except by endorsement issued to form a part of this policy, signed by a duly authorized representative of the company.

9. Assignment Assignment of interest under this policy shall not bind the company until its consent is endorsed hereon; if, however, the named insured shall discontinue insurance as is afforded by this policy shall apply (1) to the named insured's legal representative, as the named insured, but only while acting within the scope of his duties as such, and (2) with respect to the property of the named insured, to the person having proper temporary custody thereof, as insured, but only until the appointment and qualification of the legal representative.

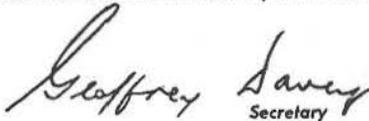

10. Three Year Policy If this policy is issued for a period of three years any limit of the company's liability stated in this policy as "aggregate" shall apply separately to each consecutive annual period thereof.

11. Cancellation This policy may be cancelled by the named insured by surrender thereof to the company or any of its authorized agents or by mailing to the company written notice stating when thereafter the cancellation shall be effective. This policy may be cancelled by the company by mailing to the named insured at the address shown in this policy, written notice stating when not less than ten days thereafter such cancellation shall be effective. The mailing of notice as aforesaid shall be sufficient proof of notice. The time of surrender or the effective date and hour of cancellation stated in the notice shall become the end of the policy period. Delivery of such written notice either by the named insured or by the company shall be equivalent to mailing.

If the named insured cancels, earned premium shall be computed in accordance with the customary short rate table and procedure. If the company cancels, earned premium shall be computed pro rata. Premium adjustment may be made either at the time cancellation is effected or as soon as practicable after cancellation becomes effective, but payment or tender of unearned premium is not a condition of cancellation.

12. Declarations By acceptance of this policy, the named insured agrees that the statements in the declarations are his agreements and representations, that this policy is issued in reliance upon the truth of such representations and that this policy embodies all agreements existing between himself and the company or any of its agents relating to this insurance.

In Witness Whereof, the company has caused this policy to be signed by an executive vice president and a secretary, but this policy shall not be binding upon the company unless completed by the attachment hereto of (1) a Declarations Page described as Section Two and countersigned on the aforesaid Declarations Page by a duly authorized representative of the company, and (2) one or more Coverage Parts for which there is an advance premium indicated on the Declarations Page.
