Noble Discoverer – Chukchi Sea
Application to Revise Permit to Construct**

Dear Ms. Greaves,

Shell Gulf of Mexico Inc. (Shell) received the letter from Ms. Kate Kelly with the U.S. Environmental Protection Agency (EPA) on March 21, 2013 regarding Shell's application to revise OCS/PSD Permit to Construct No. R10OCS/PSD-AK-09-01. Under that letter, EPA requested that Shell provide additional information to support the requested permit revisions by April 30, 2013 or notify you if a complete response is not possible by this date. Shell is providing this letter to request an extension of this deadline to May 31, 2013 to allow for additional time to review and respond to the EPA request for information.

If you have any questions or concerns, please do not hesitate to contact Ms. Pauline Ruddy (907-771-7243) or Mr. Chris Lindsey at (907-771-7262) if you have any questions.

Thank you,
