Subject Beaufort and Chukchi Sea Permits

Good Afternoon Ms Skadowski,

I was reading through the new EPA air permit for Shell in the OCS area of Alaska, and would greatly appreciate being added to the mailing list for future notices and documents. I live in Alaska, and believe that the development of the Outer Continental Shelf, although important to Alaska's financial health, may also impact the ocean in a less than awesome way... so I'd like to be kept in the know. Thanks and have a beautiful day!
