

# RISK MANAGEMENT PROGRAM (RMP) Training

Tuesday, September 11, 2012

Portland, Oregon

The **Environmental Protection Agency (EPA)** is offering **FREE RISK Management Program training**, providing information about how to comply with the RMP reporting and emergency planning requirements. The instructors are EPA staff with extensive experience in RMP inspections and compliance assistance.

**This training is for ...**

***Safety, Process Safety, Operations and Plant Managers;  
Environmental, Engineering and Maintenance Managers;  
RMP and PSM Coordinators;  
Supervisors, Operators and Maintenance Technicians; and  
Technical, Safety and Environmental Professionals.***

**Major components of the RMP training:**

- General review of RMP elements, common inspection deficiencies and tips on using RMP\*eSubmit for on-line updates/corrections to your RMP. Answers to your questions about the Risk Management Program.

**To Register:** In order to guarantee a space, please send the following information:

- Name and email of person/s attending (limit 2 per facility)
- Facility Name

**Send Your Response** to [allen.stephanie@epa.gov](mailto:allen.stephanie@epa.gov)

**Location:** **Auditorium**, 911 Federal Building, 911 NE 11th Ave, Portland, OR 97232

**Security:** In order to get into the Federal Building, attendees will need to present a government issued ID and then pass through the screening magnetometer (like at the airport). Anything you bring in (purses, lunch bags, etc.) will be x-rayed.

**Food:** Cafeteria available on site.

**Parking:** Public parking available in lots near the site. Transit: MAX Lloyd Center (NE 11<sup>th</sup> Avenue)

**Time: Start at 9:00 - End: 4:00**

RMP information can be found on [EPA Region 10's RMP website:](#)

**Questions:** Contact Stephanie Allen, (206) 553-2585 or email:[allen.stephanie@epa.gov](mailto:allen.stephanie@epa.gov)
