Seattle, Washington 98101

Subject: **Final Removal Action Design Report** Adjacent Streets Cleanup, Terminal 117 Early Action Area, Seattle, WA
Administrative Settlement Agreement and Order on Consent No. CERCLA 10-2011-0089

Dear Ms. Peterson:

In accordance with the Administrative Settlement Agreement and Order on Consent No. CERCLA 10-2011-0089, The City of Seattle (City) hereby submits the Final Removal Action Design Report to the U.S. Environmental Protection Agency (EPA). Pursuant to the Letter of Conditional Approval received from EPA on September 11, 2014, the City has made the requested corrections to the following documents dated October 1, 2014, and is hereby submitting them for final acceptance. The Final Design Submittal is available for download from the Integral Consulting Sharefile site (via <https://integral-corp.sharefile.com/d-s32c65f383a54d6fa>) for the next 30 days, and the T-117 web site (http://www.t117.com/docs_design.aspx), and consists of the following elements:

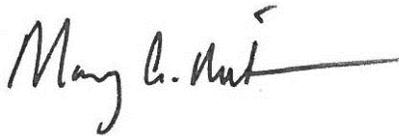

- T-117 Adjacent Streets and Stormwater, Remedial Action Design Report (RADR), including the following appendices:
 - Appendix A: Drawings and Specifications
 - Appendix A1: Construction Drawings
 - Appendix A2: Technical Specifications
 - Appendix B: Construction Quality Assurance Plan
 - Appendix C: Site Health and Safety Plan
 - Appendix D: Community Health and Safety Plan
 - Appendix E: Quality Assurance Project Plan
 - Appendix F: Excavation Confirmation Sampling Results
 - Appendix G: Design Support Documentation
 - Appendix G1: S. Donovan Street Geotechnical Report
 - Appendix G2: Temporary Shoring & Cut Slope Evaluation Geotechnical Report
 - Appendix G3: Geotechnical Information for Stormwater Design
 - Appendix G4: MGS Flood Modeling Results
 - Appendix G5: SDOT Survey Requirements – Client Assistance Memo 2212
 - Appendix G6: Dallas Avenue Outfall Design Modifications Technical Memorandum
 - Appendix G7: SPU Green Stormwater Operation & Maintenance Manual
 - Appendix G8: Filterra® Operation & Maintenance Manual
 - Appendix G9: Stormwater Quality Analysis for Terminal 117 Adjacent Streets Biological Assessment

Ms. Piper Peterson

page 2

- Appendix G10: T-117 Adjacent Streets Stormwater Mixing Analysis
- Appendix G11: Additional Stormwater Quality Analyses for Terminal 117 Adjacent Streets
- Appendix H: Clean Water Act Section 404 Substantive Compliance Package
- Appendix I: Water Quality Monitoring Plan
- Appendix J: Archaeological Monitoring and Inadvertent Discovery Plan
- Appendix K: King County Discharge Authorization

We look forward to continuing to work with EPA to complete the project.

Sincerely,

Mary Mitchener
T-117 Project Coordinator
