

# SUPERFUND

## Fact Sheet

### COMMENCEMENT BAY NEARSHORE/TIDEFLATS

Tacoma, Washington

U.S. ENVIRONMENTAL PROTECTION AGENCY REGION 10

October 1998

### Thea Foss Waterway Proposed Settlement Agreement

**The U. S. Environmental Protection Agency (EPA) Announces a Public Comment Period on a Proposed Settlement Agreement Between EPA and Arrow Transportation, Inc. The Comment Period is from October 21 to November 20, 1998.**

Arrow Transportation, Inc. is one of a number of potentially responsible parties (PRPs) named for cleaning up the Thea Foss and Wheeler-Osgood Waterway, which is part of the Commencement Bay Nearshore/Tideflats Superfund site. Arrow Transportation is a truck transport company and was a lessee and operator from 1990 until 1997 at the MPS Terminal Corp site, located close to the Thea Foss Waterway. Arrow hauled a number of products including organic compounds that have contaminated the waterway.

In May 1997, Arrow Transportation, Inc. filed for protection under Chapter 11 of the Bankruptcy Code. On November 28, 1997, EPA filed a proof of claim (the "EPA Claim") against Arrow Transportation, Inc., seeking payment of the costs for the investigation and cleanup of the Thea Foss Waterway. (Arrow is a PRP at the Chemical Handling Company (CHC) Superfund site in Colorado, and this proposed agreement also addresses settlement for this site.)

EPA and Arrow Transportation, Inc. have recently agreed to settle the "EPA Claim", and the public is invited to comment on the proposed settlement agreement.

#### Conditions of the Proposed Settlement

Under the proposed settlement, upon approval of the Court, the "EPA Claim" shall be allowed as an administrative priority claim in the amount of \$86,500. Once paid, EPA will withdraw the "EPA Claim" for any amount in excess of \$86,500.

The proposed settlement amount will be distributed as follows: \$76,500 will be paid in relation to the

Thea Foss and Wheeler-Osgood Waterway, and \$10,000 will be paid in relation to the site in Colorado. Of the \$76,500 for Thea Foss and Wheeler-Osgood, \$65,025 shall be deposited in the Thea Foss Special Account to be used to conduct or finance future response actions at the waterway; and \$11,475 shall be deposited in the EPA Hazardous Substance Superfund as reimbursement for response costs incurred at Thea Foss and Wheeler-Osgood.

#### The Proposed Settlement Agreement is Available for Public Review at the Following Locations:

##### In Tacoma:

Tacoma Public Library Main Branch  
1102 Tacoma Avenue South  
Northwest Room
