Subject: Phoenix Project, Lloyd Ridge 410 Well #1, Air Permit Application

Dear Mr. Hollek:

This letter is to acknowledge receipt of your application dated November 18, 2009, and received by this office on November 20, 2009, for a Prevention of Significant Deterioration (PSD) permit for Lloyd Ridge 410 Well #1.

Your application and all supporting information are currently being reviewed by this office for completeness. You will be notified if additional information is needed in order to continue the processing of the application. We will make a determination of completeness no later than December 21, 2009. In accordance with the Clean Air Act and implementing regulations, EPA will take final action within one year of receipt of a complete application.

The federal land manager at the U.S. Fish & Wildlife Service for the Breton National Wilderness Area has been notified of our receipt of this application. We have asked for their input on the completeness of your application.

If you have any questions concerning the review of your application, please contact Sean Lakeman of my staff at (404) 562-9043.

Sincerely,

A handwritten signature in blue ink that reads "Gregg M. Worley".

Gregg M. Worley
