Re: FY2014 Annual Section 105 Grant Summary Report

Dear Mr. Worley:

The Division for Air Quality has reviewed the reporting requirements listed in Tables 1 and 2 of the "FY 2014 Section 105 Air Planning Agreement Reporting Requirements" and concluded that the agency has met all grant commitments and outputs/outcomes agreed to in the work plan. This determination includes complying with the Strategic Plan Goals by taking action on climate change, improving air quality, and enforcing environmental laws.

Sincerely,

  
Sean Alteri,
