

**REGULATION 2.09 Causes for Permit Suspension**

**Air Pollution Control District of Jefferson County  
Jefferson County, Kentucky**

**Relates To:** KRS Chapter 77 Air Pollution Control

**Pursuant To:** KRS Chapter 77 Air Pollution Control

**Necessity And Function:** KRS 77.180 provides that the Air Pollution Control Board may make and enforce all needful orders, rules, and regulations necessary or proper to accomplish the purposes of KRS Chapter 77. This regulation establishes the causes under which a permit may be suspended.

**SECTION 1 Suspension by the Board**

The Board may modify a permit issued hereunder or recommend to the Hearing Board the revocation of any permit issued hereunder for one or more of the following causes:

- 1.1 Failure to comply with the terms and conditions of the permit,
- 1.2 Failure to comply with emissions standards applicable to an affected facility,
- 1.3 Failure to comply with the ambient air quality standards for the area in which the source is located, or
- 1.4 Failure to report process or equipment changes which result in an emission increase.

**SECTION 2 Suspension by the Air Pollution Control Officer**

- 2.1 The Air Pollution Control Officer may suspend a permit issued hereunder for failure to provide information, analyses, plans or specifications upon request of the Air Pollution Control Officer relating to an affected facility or for willfully making misstatements in permit applications or any amendments thereto. Such suspensions may be appealed to the Board in accordance with Regulation 1.08.
- 2.2 The Air Pollution Control Officer shall suspend a permit issued hereunder if the affected facility is to be shut down for an extended period or replaced with a new, reconstructed, or modified affected facility.

Adopted v1/6-13-79; effective 6-13-79.
