

**JEFFERSON COUNTY AIR QUALITY REGULATIONS**  
**TABLE OF CONTENTS**

**REGULATION 1    GENERAL ADMINISTRATIVE PROCEDURES**

|          |   |
|----------|---|
| Reg 1.01 | General Application of Regulations and Standards                |
| Reg 1.02 | Definitions   |
| Reg 1.03 | Abbreviations   |
| Reg 1.04 | Performance Tests   |
| Reg 1.05 | Compliance with Emission Standards and Maintenance Requirements |
| Reg 1.06 | Source Self Monitoring and Reporting                            |
| Reg 1.07 | Emissions During Shutdown and Malfunction                       |
| Reg 1.08 | Administrative Procedures                                       |
| Reg 1.09 | Prohibition of Air Pollution                                    |
| Reg 1.10 | Circumvention   |
| Reg 1.11 | Control of Open Burning   |
| Reg 1.14 | Control of Fugitive Particulate Emissions                       |

**REGULATION 2    PERMIT REGULATIONS**

|          |   |
|----------|---|
| Reg 2.01 | General Applications  |
| Reg 2.02 | Registration and Minor Source Exemptions  |
| Reg 2.03 | Permit Requirements - General   |
| Reg 2.04 | Construction or Modification of Major Sources in or Impacting upon<br>Non-Attainment Areas (Emission Offset Requirements) |
| Reg 2.05 | Prevention of Significant Deterioration of Ambient Air Quality  |
| Reg 2.06 | Permit Requirements - Other Sources   |
| Reg 2.07 | Public Notification   |
| Reg 2.09 | Causes for Permit Suspension  |
| Reg 2.10 | Stack Height Considerations   |
| Reg 2.11 | Air Quality Model Usage   |
| Reg 2.12 | Emissions Trading   |
| Reg 2.17 | Federally Enforceable District Origin Operating Permits   |

**REGULATION 3    AMBIENT AIR QUALITY STANDARDS**

- Reg 3.01            Purpose of Standards and Expression of Non-Degradation Intention
- Reg 3.02            Applicability of Ambient Air Quality Standards
- Reg 3.03            Definitions
- Reg 3.04            Ambient Air Quality Standards
- Reg 3.05            Methods of Measurement

**REGULATION 4    AIR POLLUTION EPISODES**

- Reg 4.01            General Provision
- Reg 4.02            Episode Criteria
- Reg 4.03            General Abatement Requirements
- Reg 4.04            Particulate and Sulfur Dioxide Reduction Requirements
- Reg 4.05            Hydrocarbon and Nitrogen Oxide Reduction Requirements
- Reg 4.07            Reporting

**REGULATION 6    EXISTING AFFECTED FACILITIES**

- Reg 6.01            General Provisions
- Reg 6.02            Emission Monitoring
- Reg 6.07            Standards of Performance for Existing Indirect Heat Exchangers
- Reg 6.08            Standard of Performance for Existing Incinerators
- Reg 6.09            Standards of Performance for Existing Process Operations
- Reg 6.10            Standards of Performance for Existing Process Gas Streams
- Reg 6.12            Standards of Performance for Existing Asphalt Paving Operations
- Reg 6.13            Standard of Performance for Existing Storage Vessels for Volatile Organic Compound
- Reg 6.14            Standard of Performance for Selected Existing Petroleum Refining Processes and Equipment
- Reg 6.15            Standards of Performance for Existing Gasoline Transfer to Service Station Storage Tanks
- Reg 6.16            Standard of Performance for Existing Large Appliance Surface Coating Operations
- Reg 6.17            Standard of Performance for Existing Automobile and Light Duty Truck Surface Coating Operations
- Reg 6.18            Standard of Performance for Existing Solvent Metal Cleaning Equipment
- Reg 6.19            Standard of Performance for Existing Metal Furniture Surface Coating Operations
- Reg 6.20            Standard of Performance for Existing Bulk Gasoline Plants
- Reg 6.21            Standard of Performance for Existing Gasoline Loading Facilities at Bulk Terminals
- Reg 6.22            Standard of Performance for Existing Volatile Organic Materials Loading Facilities
- Reg 6.24            Standard of Performance for Existing Sources Using Organic Materials
- Reg 6.26            Standard of Performance for Existing Volatile Organic Compound Water Separators

|                 |  |
|-----------------|--|
| Reg 6.27        | Standards of Performance for Liquid Waste Incinerators   |
| Reg 6.28        | Standard of Performance for Existing Hot Air Aluminum Atomization Processes  |
| Reg 6.29        | Standard of Performance for Existing Graphic Arts Facilities Using Rotogravure and Flexography   |
| Reg 6.30        | Standard of Performance for Existing Factory Surface Coating Operations of Flat Wood Paneling  |
| Reg 6.31        | Standard of Performance for Existing Miscellaneous Metal Parts and Products Surface Coating Operations   |
| Reg 6.32        | Standards of Performance for Existing Synthesized Pharmaceutical Product Manufacturing Operations  |
| Reg 6.33        | Standard of Performance for Existing Synthesized Pharmaceutical Product Manufacturing Operations   |
| Reg 6.34        | Standard of Performance for Existing Pneumatic Rubber Tire Manufacturing   |
| Plants Reg 6.35 | Standard of Performance for Existing Fabric, Vinyl and Paper Surface Coating Operations  |
| Reg 6.38        | Standard of Performance for Existing Air Oxidation Processes in Synthetic Organic Chemical Manufacturing Industries                                |
| Reg 6.39        | Standard of Performance for Equipment Leaks of Volatile Organic Compounds in Existing Synthetic Organic Chemical and Polymer Manufacturing Plants  |
| Reg 6.40        | Standards of Performance for Equipment Leaks of Volatile Organic Compounds in Existing Synthetic Organic Chemical and Polymer Manufacturing Plants |
| Reg 6.42        | Reasonable Available Control Technology Requirements for Major Volatile Organic Compound and Nitrogen Oxide Emitting Facilities                    |
| Reg 6.44        | Standards of Performance for Existing Commercial Motor Vehicles and Mobile Equipment Refinishing Operations  |
| Reg 6.45        | Standards of Performance for Existing Solid Waste Landfills  |
| Reg 6.46        | Standards of Performance for Existing Ferroalloy and Calcium Carbide Production Facilities   |
| Reg 6.48        | Standard of Performance for Existing Bakery Oven Operations  |

## **REGULATION 7 NEW AFFECTED FACILITIES**

|          |   |
|----------|---|
| Reg 7.01 | General Provisions  |
| Reg 7.06 | Standard of Performance for New Indirect Heat Exchangers                              |
| Reg 7.07 | Standard of Performance for New Incinerators  |
| Reg 7.08 | Standard of Performance for New Process Operations                                    |
| Reg 7.09 | Standard of Performance for New Process Gas Streams                                   |
| Reg 7.11 | Standard of Performance for New Asphalt Concrete Plants and Asphalt Paving Operations |
| Reg 7.12 | Standard of Performance for New Storage Vessels for Volatile Organic Compounds        |
| Reg 7.14 | Standard of Performance for Selected New Petroleum Refining Processes and Equipment   |
| Reg 7.15 | Standard of Performance for Gasoline Transfer to New Service Station Storage          |

Tanks

- Reg 7.16 Standard of Performance for New Large Appliance Surface Coating Operations
- Reg 7.17 Standard of Performance for New Automobile and Light Truck Surface Coating Operations
- Reg 7.18 Standard of Performance for New Solvent Metal Cleaning Equipment
- Reg 7.20 Standard of Performance for Gasoline Loading Facilities at New Bulk Plants
- Reg 7.22 Standard of Performance for New Volatile Organic Compound Loading Facilities
- Reg 7.25 Standard of Performance for New Sources Using Volatile Organic Compounds
  
- Reg 7.34 Standard of Performance for New Sulfite Pulp Mills
- Reg 7.35 Standard of Performance for New Ethylene Producing Plants
- Reg 7.36 Standard of Performance for New Volatile Organic Compound Water Separators
- Reg 7.51 Standard of Performance for New Liquid Manufacturing Plants
- Reg 7.52 Standard of Performance for New Fabric, Vinyl, and Paper Surface Coating Operations
- Reg 7.55 Standard of Performance for New Operations for Insulation of Magnet Wire
- Reg 7.56 Leaks from New Petroleum Refinery Equipment
- Reg 7.57 New Graphic Arts Facilities Using Rotogravure and Flexography
- Reg 7.58 Standards of Performance for New Factory Surface Coating Operations of Flat Wood Paneling
- Reg 7.59 Standards of Performance for New Miscellaneous Metal Parts and Products Surface Coating Operations
- Reg 7.60 Standards of Performance for New Synthesized Pharmaceutical Product Manufacturing Operations
- Reg 7.77 Standards of Performance for New Blast Furnace Casthouses
- Reg 7.79 Standard of Performance for New Commercial Motor Vehicle and Mobile Equipment Refinishing Operations
- Reg 7.81 Standard of Performance for New or Modified Bakery Oven Operations

**REGULATION 8 MOBILE SOURCE**

- Reg 8.01 Mobile Source Emission Control Requirements
- Reg 8.02 Vehicle Emissions Testing Procedures
- Reg 8.03 Commuter Vehicle Testing Requirements
