

SECTION 10.56.100: Board - Consideration of Facts and Circumstances

In the exercise of its powers to prevent, abate and control air pollution, the Board shall give due consideration to such pertinent facts and circumstances, including, but not limited to:

- A. The character and degree of injury to, or interference with, the protection of the health, general welfare and physical property of the residents of the Metropolitan Government area;
- B. The social and economic value of the air pollutants source;
- C. The degree of detrimental effect of the air pollutants upon the achievement of the national ambient air quality standard for such pollutant;
- D. The technical practicability and economic reasonableness of reducing or eliminating the emission of such air pollutants;
- E. The suitability or unsuitability of the air pollution source to the area in which it is located; and
- F. The economic benefit gained by the air pollutants source through any failure to comply with the provisions of this Chapter and regulations adopted pursuant to this Chapter.
