the Allied Paper/Portage Creek/Kalamazoo River  
Superfund site**

Thursday, Dec. 15, 2011  
6:30 p.m.

**Radisson Plaza Hotel**  
Kalamazoo 2 – lower level  
100 W. Michigan Ave.  
Kalamazoo

U.S. Environmental Protection Agency will hold a meeting to update the community on the cleanup progress at the Allied Paper/Portage Creek/ Kalamazoo River Superfund site. The meeting will provide updates on activities conducted during the summer and fall for all facets of the cleanup including investigation work in the Kalamazoo River, landfill construction, as well as work at the mill properties. A status update on the Portage Creek time critical removal action will also be presented. A time-critical removal action is a situation where EPA has determined that it is urgent that contamination be removed to better protect people's health and the environment.
