Dear Mr. Lockyer:

Enclosed please find the correct cover letter. There was a last minute change in where the draft Federal RCRA permit was to be public noticed. The Kane County Daily Herald newspaper is the correct newspaper not the Batavia Kane County Republican which was original sent. Please discard the first letter and replace it with the one enclosed.

Sincerely,

A handwritten signature in blue ink that reads "Gary J. Victorine".

Re: Draft Federal RCRA Permit, Fermi National Accelerator Laboratory
Batavia, Illinois, IL6 890 030 046

Dear Mr. Lockyer:

Enclosed is the draft Federal Resource Conservation and Recovery Act (RCRA) permit for Fermi National Accelerator Laboratory, Batavia, Illinois.

The draft Federal RCRA permit was public noticed in the Kane County Daily Herald newspaper and local radio station WBBM on or about September 29, 2016. A copy of the draft Federal RCRA permit is available for review at the Batavia Public Library, 10 South Batavia Avenue, Batavia Illinois. The public comment period lasts from September 29 to November 13, 2016.

During the public comment period, you or any interested party may submit comments to the U.S. Environmental Protection Agency on the draft Federal RCRA permit set forth above. At the close of the comment period, EPA will prepare a response to all significant comments. Comments on the draft Federal RCRA permit may be submitted to:

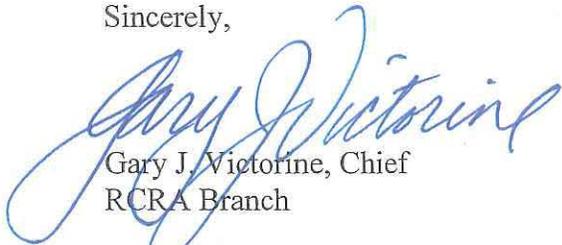

U.S. Environmental Protection Agency, Region 5
RCRA Branch (LR-8J)
77 West Jackson Boulevard
Chicago, Illinois 60604

Attention: James Blough

Following review of any comments received on the draft federal RCRA permit, EPA will issue a final permit decision in accordance with the requirements of Title 40 of the Code of Federal Regulations (40 C.F.R.) Section 124.15.

If you have questions concerning the draft Federal RCRA permit, please contact James Blough, of my staff at (312) 886-2967.

Sincerely,

A handwritten signature in blue ink that reads "Gary J. Victorine". The signature is written in a cursive style with a large, looping initial "G".
