NOTICE OF ISSUANCE OF PROPOSED CORRECTIVE MEASURES

DECISION is hereby given that on *April 27, 2006*, the United States Environmental Protection Agency (U.S. EPA) proposed to issue a Corrective Measures Decision under the Resource Conservation and Recovery Act (RCRA) to General Motors Corporation (GMC), for its facility located at 2900 South Scatterfield Road, Anderson, Indiana (U.S. EPA Identification Number IND 980 503 825) and that the U.S. EPA will be accepting comments on this proposed decision.

The proposed decision, which provides for the physical containment of contaminated soil, continued ground water monitoring, and institutional controls for the continued industrial use of portions of the GMC facility, is issued under the provisions of Section 7004(b) of RCRA, 42 U.S.C. 6974(b). A public notice will appear in the *Anderson Herald-Bulletin*, and announced on the *WQME 98.7 radio* on *April 27, 2006 between 6:00am and 10:00am*. The U.S. EPA has scheduled a public comment period starting on *April 28, 2006 and ends June 12, 2006*, in order to encourage public participation in the Corrective Measures Decision process. During the comment period, U.S. EPA will accept written comments on the proposed determination. A public meeting will be held if one is requested in writing.

All written comment must be postmarked by *June 12, 2006*, and should be submitted to:
