

PUBLIC NOTICE
Regarding a Proposed
Corrective Measures Decision
under the Resource Conservation and Recovery Act
Issued by The
United States Environmental Protection Agency
to
THE SCIO POTTERY COMPANY
38500 Crimm Road
Scio, Ohio
OHD 004 465 084

NOTICE OF ISSUANCE OF A PROPOSED CORRECTIVE MEASURES DECISION is hereby given that on July 21, 2008, the United States Environmental Protection Agency (U.S. EPA) proposed to issue a corrective measures decision under the Resource Conservation and Recovery Act (RCRA) to the Scio Pottery Company for its facility located at 38500 Crimm Road, Scio, Ohio (U.S. EPA Identification Number OHD 004 465 084) and that the U.S. EPA will be accepting comments on this proposed decision.

The proposed decision provides for the physical containment of wastes and contaminated soil within a formerly operating waste water surface impoundment, by means of a grass cover, security fence, drainage ditches and institutional controls. This decision is issued under the provisions of Section 7004(b) of RCRA, 42 U.S.C. 6974(b). A public notice will appear in the *Steubenville Herald-Star* on July 21, 2008. The U.S. EPA has scheduled a public comment period starting on July 22, 2008, in order to encourage public participation in the corrective measures decision process. During this comment period, U.S. EPA will accept written comments on the proposed determination. The public comment period will end on September 5, 2008.

All written comments must be postmarked by September 5, 2008, and should be submitted to:

United States Environmental Protection Agency
Remediation and Reuse Branch (LU-9J)
77 West Jackson Boulevard
Chicago, Illinois 60604
Attention: Don Heller
Heller.Donald@epa.gov

Copies of the relevant documents, including the Statement of Basis, are available for public inspection and copying from July 22, 2008, to September 5, 2008, during normal business hours by visiting the:

Scio Public Library
331 West Main Street
Scio, Ohio 43988
(740) 945-6811

And

United States Environmental Protection Agency, Region 5
77 West Jackson Boulevard
Chicago, Illinois 60604
Attention: Don Heller

After U.S. EPA's consideration of public comments that have been received, they will be summarized and responses will be provided in a Response to Comments document. The "Response to Comments" document will be drafted after the conclusion of the public comment period and will be incorporated into the administrative record.
