

## **RADIO ANNOUNCEMENT**

The United States Environmental Protection Agency invites the public to comment on an environmental remedy chosen to protect human health and the environment at the former **Henkel Surface Technologies** facility located at 322 W. Main St., Morenci (Lenawee County) Michigan.

A Statement of Basis has been prepared to summarize the work that has been done by the U.S. EPA, the Michigan Department of Environmental Quality and the Henkel Corporation and its representatives, for the cleanup of contaminated soils and groundwater.

The Statement of Basis, along with more detailed reports and other site related documents are available for review at the following locations:

Office of the City Clerk, City Of Morenci, Michigan  
City Hall, 118 Orchard Street  
Morenci, MI 49256

and

The U.S. EPA - Chicago, IL

For further information or comments, call the U.S. EPA Project Manager at 312-353-2720. Additional information is also available in today's edition of the State Line Observer. Written comments on the Statement of Basis must be submitted no later than May 15, 2006.
