Under the SIC Code 4952, the discharge is from a POTW. This is a renewal of a permit previously issued June 29, 2007, with an effective date of July 1, 2007, and an expiration date of June 30, 2012.

A fact sheet is available.

#### State Certification

This Notice also serves as Public Notice of the intent of the New Mexico Environment Department, Surface Water Quality Bureau to consider issuing Clean Water Act (CWA) Section 401 Certification. The purpose of such certification is to reasonably ensure that the permitted activities will be conducted in a manner that will comply with applicable New Mexico water quality standards, including the antidegradation policy, and the statewide water quality management plan. The NPDES permit will not be issued until the certification requirements of Section 401 have been met.
