

U.S. Environmental Protection Agency (EPA) – Region 6
Public Notice of Comment Period Extension

This is to give notice that the U.S. Environmental Protection Agency, Region 6, has extended the comment period until November 9, 2015, for the following NPDES permit: NM0030996 - Lee Ranch Coal Company – El Segundo Mine.

EPA's contact person for submitting written comments and requesting information regarding the draft permit is:

Ms. Evelyn Rosborough
U.S. Environmental Protection Agency
Planning and Analysis Branch (6WQ-NP)
1445 Ross Avenue, Suite 1200
Dallas, TX 75202-2733
(214) 665-7515 or rosborough.evelyn@epa.gov

State Certification

This also is to give notice that the New Mexico Environment Department, Surface Water Quality Bureau has also extended the comment period on the intent to consider issuing Clean Water Act (CWA) Section 401 Certification of the draft permit. If you want to comment on State Certification, submit written comments by November 9, 2015, to:

Bruce Yurdin
Manager, Point Source Regulation Section
Surface Water Quality Bureau
