

NPDES authorization to discharge to waters of the United States, Permit No. NM0031046

The applicant's mailing address is:

Santa Fe County Judicial Complex
901 West Alameda, Suite C-20
Santa Fe, NM 87501

The discharge from this facility, located at 333 Sandoval Street in Santa Fe, Santa Fe County, NM, discharges to a drainage ditch thence to the Santa Fe River in Segment No. 20.6.4.98 of the Rio Grande Basin.

The designated uses of the Santa Fe River are coldwater aquatic life, livestock watering, wildlife habitat and primary contact. Under the primary Standard Industrial Classification Code 1799, the discharge is petroleum fuel contaminated groundwater from a construction site.

This is a first-time issuance.

A statement of basis is available.
