

14th Annual EPA Region 6 Stormwater Conference

June 24-29, 2012

The Worthington Renaissance Hotel
Fort Worth, TX 76102

CALL FOR PRESENTATIONS

You are invited to submit a presentation proposal for the 14th Annual Stormwater Conference to be held June 24-29, 2012, in Fort Worth, Texas. By participating as a presenter, you can help us achieve our goal of providing an exceptional conference that informs and educates stormwater professionals about state and federal regulations aimed at reducing the sources of stormwater pollution discharged into surface waters from storm sewer systems.

Presentation Topics

Presentation(s) should support one or more of the following conference topics:

- LID/Sustainable Development/Green Infrastructure
- Watershed Management
- Sampling and Monitoring for Construction Effluent Limit Guidance
- Industrial Stormwater Management
- BMP Technology (include information/data on effectiveness of BMP and evaluation measures)
- Public Education and Outreach
- Enforcement and Legal

Presentation Criteria

Presentation(s) are selected based on the following criteria:

- Thoroughness of the subject matter and proposal
- Originality of materials
- Quality of learning objectives
- Level of content and method of diverse teaching styles
- Quality of takeaway tools offered to all conference registrants
- Appeal to a diverse and broad spectrum of attendees

NOTE: Only educational content should be submitted for consideration. No abstracts will be accepted if they include marketing material or content. You will NOT receive a copy of your submission. Identify the level of technical content of your presentation (basic, intermediate or advanced).

Submit your proposal to: www.scieca.org
Proposals will not be considered after January 30, 2012

Include the following information:

- Course Title
- Course Instructor(s): Name, email, phone number
- List 3 Learning Objectives
- Basic Course content or outline, conclusions, and support material: (not over 400 words)
- Brief personal biography

Presentations should not exceed 50 minutes (including time for introductions and evaluations). If your presentation exceeds one hour, note this time on your proposal.

This is a green conference, so lengthy handouts are discouraged. Presenters are encouraged to provide electronic copies of their presentation materials in advance so that these materials can be posted on the conference website, and downloaded by those registering for the conference.
